FIRST QUARTER REPORT 2021

January - March

INTRODUCTION

Dearly Beloved Kingdom Partner

We give all praises to the Lord for giving us the grace to serve together as co-laborers in Christ's vineyard in the first quarter of this year.

Your immense contribution and consistent support throughout this quarter have made it possible for us to advance the kingdom together. Our prayer is that you will not lose your reward in Jesus Name.

By His grace, we started our missionary activities in all the countries the Lord has given us with the aim of expanding Christ's kingdom by doing so much.

Our areas of focus include;

- **Soul-winning**
- **Church planting**
- **Village to village Outreaches**
- **Discipleship and Training**
- **School Outreach.**

Here are the statistics of what God had helped us to achieve

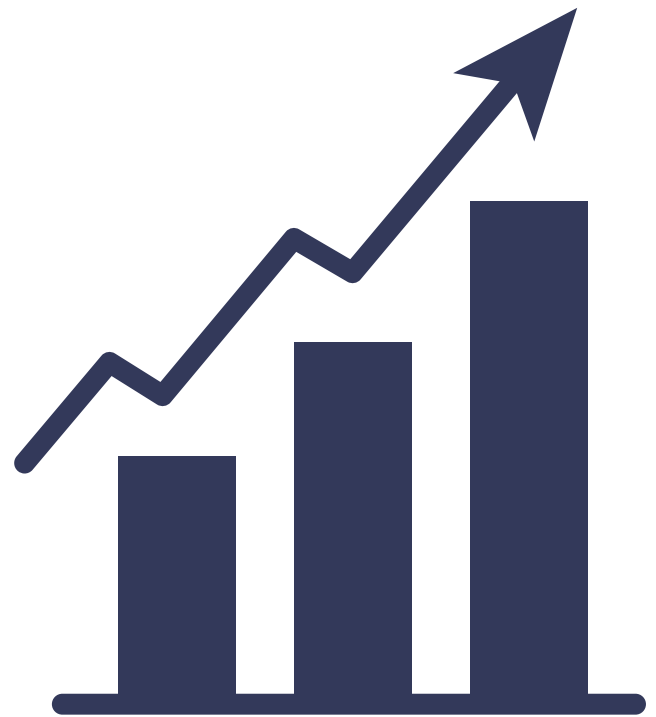

Total number of souls won - **7742**

Total number of churches planted - **48**

Total number of villages reached - **81**

Total number of Indigenous disciples trained - **521**

Total number of schools reached - **22**

MAJOR BREAKTHROUGHS

By the special grace of God, the Lord has given us breakthroughs in **Muslim dominated** communities in Sierra Leone within two additional districts

- Koinadugu
- Pujehun
- Lei.

Souls were won in their thousands, many communities reached, and churches were planted as well.

TRAINING AND RIGOROUS DISCIPLESHIP SESSIONS.

A total number of **521** indigenous disciples have been trained so far by the grace of God. Our **strategic plan** is to train and send them to the newly planted churches.

CHURCH PLANTING MOVEMENT.

By the grace of God, and **after reaching 81 communities** for outreaches and soul-winning programme, the total number of **48 churches** was planted in these communities in various countries and regions.

WRITTEN AND AUDIO BIBLE PROJECT.

One of the **main challenges** our discipleship efforts have faced over the years is the **inability to buy Bibles** for the young converts.

However, we thank God for providing funds to buy **80 Bibles in Five different languages**. The languages include Kono, Kissi, Krankos, English, Mende, and children Bibles.

MOTORBIKES

Seven (7) additional motorbikes were acquired for our missionaries and church planting projects in the period under review. These will enable our missionaries to do proper follow-up for the converts.

MISSIONARY WELFARE.

The number of our missionaries across the villages is increasing from time to time. This is because of our church planting drive. As a result of this, our monthly support has increased considerably.

Some of them still have to trek three times a week to get to their destinations.

By the grace of God, all our missionaries are receiving their monthly support as at when due.

SECONDARY SCHOOL BUILDING PROJECT.

After evangelizing **Khutor and Gbenikoro communities** in Sierra Leone, they requested that we should **start a secondary school** with them because their youths travel to far places before they can go to school.

The communities also provided acres of land for the ministry.

We are glad to let you know that the work is in progress now.

KUNDOMA COMMUNITY SCHOOL PROJECT

This is another Muslim dominated community. **Building of this school started last year by the grace of God.**

We are trusting God for the **roofing and plastering** of the school so that the children can start using the place.
