# NIGER REPUBLIC HIGHLIGHTS

---

We thank God for granting us access to Niger Republic. it turned out beyond our expectations because their hearts were ready and willing to receive the Word of God. Men, women, and children were not left out of God's visitation.

# OTHER HIGHLIGHTS

## OUTREACH MATERIALS PROVIDED TO DIFFERENT MISSION FIELDS

By the grace of God, we were able to get outreach materials to the mission fields in Togo, Sierra Leone, Liberia, Northern Nigeria. These tools have been deployed and results are showing forth.

## FOOD RELIEF DISTRIBUTED TO DISCIPLES IN THE MISSION FIELDS

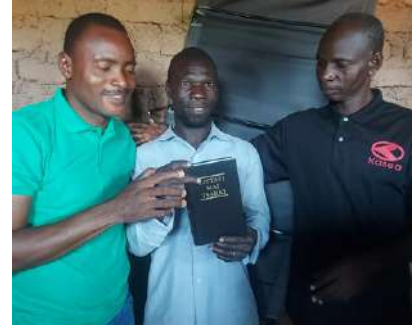

Through God's help and Kingdom partners, we were able to feed more than 1,000 disciples. These disciples in rural places are living in poverty, and we thank God for making us vessels of Joy to them. We are greatly privileged for this opportunity.

# OTHER HIGHLIGHTS

## PRINTED AND AUDIO BIBLES DISTRIBUTION TO DISCIPLES

We gave many of our disciples Bibles in both printed and electronic forms. This is to ensure their development in the knowledge of God and to establish them even more till they become soul winners themselves.

## OUR FIRST SECONDARY SCHOOL AT KHUTOR HAS COMMENCED CLASSES

For some time now, we embarked on this journey of Faith, now we have students who have registered and have started classes. The communities around Khutor also benefits from this structure because of how cumbersome it has been for their children to go to school. Some of the students have to go to school on Monday morning to return Friday after school because of the distance. The government of Sierra Leone has also taken over the support of the teachers. Glory to God.

# OTHER HIGHLIGHTS

---

## **PURCHASED NEW MOTORCYCLES FOR OUTREACHES.**

We purchased new motorcycles to aid our outreaches across our mission fields.

## **CHILDREN OUTREACHES**

Children are not left out from our outreaches, Their early privilege is not ignored, so, we commit our time to evangelizing Jesus to them. We strongly believe that they will rise up to be great ambassadors of Jesus Christ

# **MISSIONARIES IN DISTRESS!!**

---

## **TWO DISCIPLES KILLED AND MANY OTHER INJURED FROM BANDIT ATTACKS**

In Niger and Kebbi states, many of our people are displaced for over two weeks now.

We keep praying for them, and communicating with them to receive situational reports and encourage them.

The missionaries are now camped in a secondary school, where they are waiting to return to their lands.

Keep praying for them.

**MAY THE LORD PUT AN  
END TO THESE KILLINGS  
IN JESUS NAME.**

# CHALLENGES

- **TRANSPORTATION**

As God is expanding the work, we need more motorcycles to reach these places with the gospel.

- **MISSIONARY SUPPORT FOR NEW MISSIONARIES**

As more territories are covered for the Lord Jesus, we need missionaries who would preside a newly planted church. Also, he will dominate and increase the souls won in that place. Some of these new missionaries don't receive monthly support and just live on what they farm.

- **CHURCH STRUCTURES AND MISSION HOUSES**

Many of the churches on the mission field are not churches with structures. Hence the challenge when the rains come or when the weather is extremely hot.

- **COVID RESTRICTIONS ON GATHERINGS IN TOGO**

We are also affected by the restrictions placed on gatherings in Togo. Pray along with us that this restrictions be removed and our people can fellowship together and outreaches can resume.

- **OTHERS INCLUDE:**

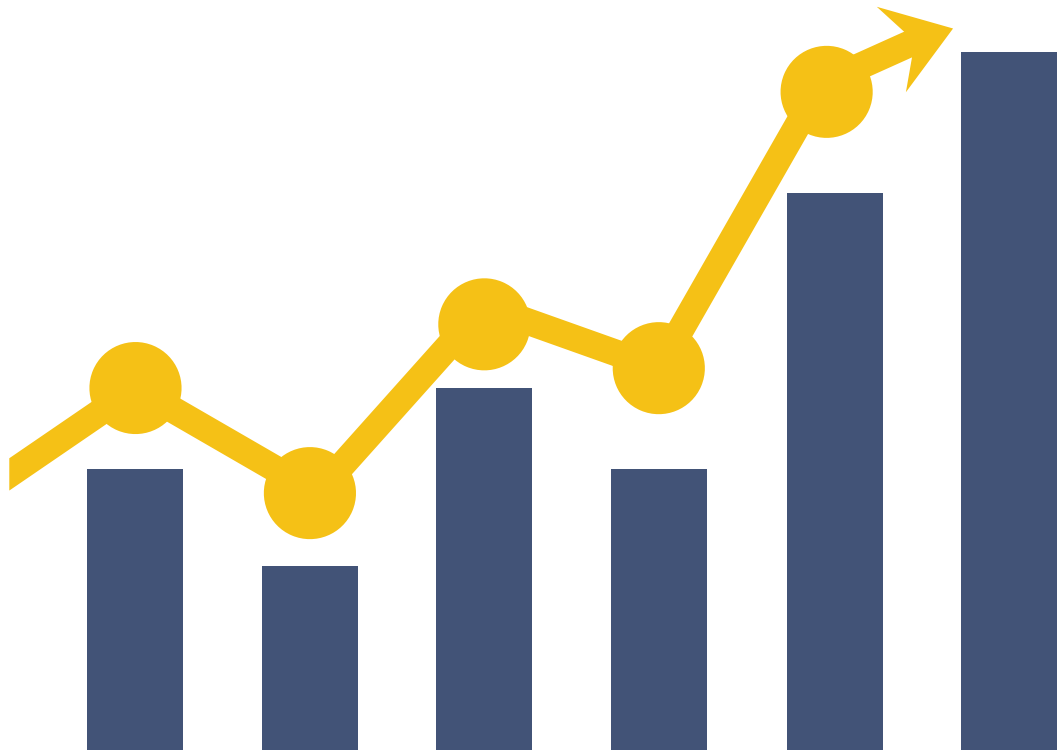

- Funds for outreaches
- Funds for Projects
- Bibles (Audio and Printed)
- Projectors, generator, printer, and photocopy machine.
- A good Laptop computer
- Good Camera
- **Prayers!**
