We are grateful to God for what He has started in Tanzania. We arrived at Kahama, Shiyanga Region of Tanzania where our mission base is located. We are grateful to God for enabling us to plant churches in some of these locations. Here is also our first mission church in Busulua, another region in Tanzania.

Grateful to God for the provision of this motorbike for our missionary in Tanzania. Without a very strong motorbike, doing missions in these rural communities will be very difficult. We are believing God for more motorbikes for over 300 missionaries laboring on our mission fields across Africa.

TANZANIA MISSIONS

We are grateful to God for the privilege to feed these indigenous missionaries and leaders in Kahama, Shinyanga, Tanzania. Some of them travelled from long distance to receive the Word of life. Only 5% of the indigenous leaders and disciples who attend our training have Bibles. Majority of them cannot afford to buy a Bible. This is one the reason why we make our materials available for them translated into their local languages. These precious people need Bibles. Our prayers daily is that the Lord of the harvest will send more kingdom financiers to the ever-increasing harvest in Jesus' name.

About 2000 souls gathered in our Crusade in Chambo Community, Shiyanga Region, Tanzania. The power of God to save heal and deliver was available! Africa is being saved. Jesus Christ is glorified. We were able to get few quantities of Audio Bibles in Swahili language for our disciples and converts who cannot read and write and 50 copies of Swahili Bibles were distributed.

The total number of 132 copies were distributed to all these churches and leaders. 64 copies of Bibles in Kirundi language were distributed to the participants as most of the participants of the training could not afford to buy a Bible. While we are grateful to God for the provision, we are also asking for the support of believers so that Bibles and materials can be made available to these precious souls.
