# Thank you Message!

Dearly beloved Kingdom partner,

Blessed be the name of the Lord for counting us worthy and giving us the opportunity to serve together in His Kingdom in such a time as this. Despite the fact that the global economy has not been friendly, the Lord has used you to provide consistent support and encouragement for us to do this work.

I personally want to appreciate your commitment to this mandate, thank you for partnering with us. 1<sup>st</sup> Corinthians 15:58 says “therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.” There is nothing done for Christ, in His way and according to His will that is in vain.

On behalf of my family, BOT and the entire mission team, we sincerely appreciate your immense support, commitment and contribution from the beginning to the end of the third quarter of the year 2023.

This report highlights our missionary activities in this period under review. It also points out to our challenges and mission plans in the next three months.

## CHURCH PLANTING

Church planting is one of strategies that God has given us as a mission, for the establishment of His Kingdom. Most of our mission outreaches are usually in remote and hard to reach villages, to a people who have never heard of the message of the gospel. As such, to ensure proper follow up and discipleship for our new converts, the mission ensures that churches are planted and indigenous missionaries incorporated in the work to ensure the consistent growth of these disciples. Thus far, the Lord has helped us plant quite a number of new churches across different countries this quarter, many of which we are still trusting God for divine provision to erect a worship structure for the new converts even as the membership is gradually expanding. Thank you for tirelessly supporting us and encouraging our missionary exploits, putting it to remembrance that your labor in God's kingdom shall never be in vain.

# TRAINING SESSIONS

## Leadership and discipleship trainings

Not being ignorant of the demands of the Great commission, the Mission ensures that leadership and discipleship trainings are concurrently organized for all our leaders and indigenous missionaries.

The essence of this is predicated on the words of our Lord and Savior Jesus Christ in Matthew 28: 19 and 20 which says “Go ye therefore into the world and make disciples of all nations, baptizing them in the name of the Father, the Son and the Holy Spirit, teaching them to observe all the things I have commanded you.... Hence, our vision of Reaching, Rescuing, Raising and Releasing. During the period under review, we had a lot of trainings organized for our leaders and indigenous missionaries across the various countries we are operating. A lot of them have been judiciously equipped for effective discipleship, the Great commission and church planting. Glory be to God.
