Message from the Director

In a world constantly shifting, the Gospel remains our anchor. As a ministry, we remain unwavering in our pursuit of souls, church planting, leadership development, and nation transformation. The first quarter of 2025 was marked by fervent prayer, supernatural breakthroughs, sacrificial giving, and relentless evangelism across our mission fields.

From the deserts of Niger to the valleys of Sierra Leone, God has shown Himself faithful. We present this report as both a testimony and a charge—God is moving, and we must keep pressing.

Mission's Highlights

NORTHERN NIGERIA MISSION FIELD

North West – Kebbi and Niger States

Strategic soul-winning, discipleship, and leadership training commenced early in the year among the Kambari, Dukawa, and Fulani people groups. We thank God for the deliverance of one of our missionaries' wife and son at Maigere after a ransom of N3 million and food items was paid.

At Acuku, due to exponential church growth, disciples voluntarily pulled down the old structure in faith for a new one. We are trusting God for the completion of the new church building.

Mission's Highlights

Remarkable growth was also recorded. New churches were planted, leaders were trained, and many souls were won to Christ, particularly in Ganjuwa. Two more churches were established in Bauchi, and our two damaged motorbikes were successfully repaired. Disciples at Kwanan Kuka are currently rebuilding their church facility.

The fields are still ripe, and the laborers are rising. Together, let's keep taking the nations for Christ."
